Description:

Review "Powerful. This book is not only beautifully written, it also deserves a wide audience." --
Writer's Digest, April 2003

"Our concept of civil rights and spiritual responsibility has been peeled back afresh and rendered deeper with this book." --James M. Jones, Ph.D., author of Prejudice and Racism, February 2002

"A pot of gold. Priceless for anyone who cares to voyage into the wonderland that is a child's heart."
--Sydney Duncan, MSW, Founding Executive, Homes for Black Children, March 2002

From the Author No matter how many books I write, this one will stand alone as my most personally meaningful. I make no claims that this sojourn represents THE authoritative voice on such childhood experiences. But in that my truth has now been told, it has the opportunity to wed itself to other testimonies, so that we might together create a collective authoritative voice of those who have walked this certain path. Through honesty do we honor, therefore my story is not nearly a complaint but rather, by virtue of its honesty, a celebration of one child's life.
