Description:

About the Author Kallysten's most exciting accomplishment to date was to cross a few thousand miles and an ocean to pursue (and catch!) the love of her life. She has been writing for fifteen years, and always enjoyed sharing her stories and listening to the readers' reactions. After playing with science fiction, short stories and poetry, she is now trying her hand, heart and words at paranormal romance novels. To see her other stories, including free short stories and sample chapters, visit http://kallysten.net
