Description:

Review "Randy Alcorn captures one's attention with his speculation on what heaven must be like and with his ability to read with enthusiasm. Basing his ideas on a biblical view of heaven, Alcorn goes a step further by giving his thoughts on many aspects of living for all of eternity in heaven. He covers questions about what we might eat there, what we will do, what our relationships will be with our beloved pets, among other possibilities. He does not believe we will be sitting somewhere on a cloud playing harps, nor will the experience be an endless church service. A fascinating audiobook,

50 DAYS OF HEAVEN is for anyone who is curious about the afterlife. Inspiring!"
