Description:

This set of approximately 500 flash cards covers all of the major topics students need to know for the new AP U.S. History exam, including constitutional history, the branches and functions of the federal government, the political party system, lobbyists, the role of media in government, and much more. The cards have a punch-hole in one corner that accommodates an enclosed metal key-ring-style card

holder. The ring allows students to arrange the flash cards in any sequence that suits their study needs. A valuable study aid, whether used alone or in tandem with the newly published *Barron's AP United States History* test prep manual.
