Description:

Review If you have a reluctant reader then give these a try although be prepared to invest in an extra bookshelf! -- Southern Daily Echo This is a really cool adventure book. -- Guardian --This text refers to an alternate edition.

About the Author Adam Blade is in his late twenties, and was born in Kent, England. His parents were both history teachers and amateur artists, and Adam grew up surrounded by his father's paintings of historic English battles which left a lifelong mark on his imagination. He was also fascinated by the ancient sword and shield that hung in his father's office. Adam's father said they were a Blade family heirloom.

Sadly, Adam does not have his own Ice Dragon or Ghost Panther. But he really wishes he did!
