 ${\bf Review}$  The story grips you from the first page. - S Davidson

I thoroughly enjoyed getting to know Lorne as a strong female lead character. I found the plot to be gripping with tantalising hints that much more is in store. Highly recommended. by P.E.

Such a gripping read! I read it in a day because I had to know what was going to happen next! Miss K. Jenkins.

I can recommend this as an opener to the series utterly impossible to put down! by Wistfulskimmie
