From the Inside Flap *Deep Into the Game* is the explosive beginning to a new cyberpunk mega-series, a zombie apocalypse unlike anything ever previously conceived. A mix of high tech, urban thriller and horror, here the mindless Undead aren't the only villains.

This eight-episode series was published monthly from May through December 2012 and focuses on the exploits of a small group of computer gamers and hackers as they navigate a world in which governments, corporations, the living and the dead collide.
