Description:

Review "Must reading for anyone seriously interested in health and doubtful about the efficacy of conventional medicine." --John Moelaert, author of *The Cancer Conspiracy*

"Thank you, Dr. Saul, for making this information more available and thus promoting the development of the medicine of the twenty-first century - orthomolecular medicine." --Abram Hoffer, M.D., author of *Putting It All Together: The New Orthomolecular Nutrition* --This text refers to the edition.

About the Author Andrew Saul, Ph.D., a biologist and teacher, has been a consulting specialist in

natural healing for more than twenty-five years, helping medical doctors' problem patients get better. He has taught hundreds of students at New York Chiropractic College and the State University of New York. Dr. Saul's previous book, Paperback Clinic, has been used as both a college textbook and reference work for health practitioners. He lives and practices in upstate New York.
