Description:

Review "I hope this book gets huge everyone should read it....those of us that read the likes of Sylvain Reynard.....Colleen Hoover....Abbi Glines.....S.C. Stephens....Jamie McGuire just to name a few.....we all sit around waiting for their new releases patiently....well Elle Casey just went on my top list of Authors to look for with their next story..." ~ Amazon reviewer

"This story is gritty and real. Elle didn't have to use any bells and whistles to tell Nicole 's story. From page one it felt like the story was a natural progression - never forced or overdone. I give this book 5 stars. I do want to say that while this is a hard story to read, it is very well worth the tears.

Anyone who has survived will ache for Nicole, but will find inspiration in the courage she had to heal. To not be a victim. To rise up and survive. To embrace your happily ever after even though it scares you worse than the horrors you already survived." ~ Book blogger "Mommy's A Book Whore"
