Description:

Review "Gentle emotions are not for the Roman brothers, as their destined mates are fated to learn. Complex and riveting!" ---Romantic Times

About the Author USA Today bestselling author Laura Wright is passionate about romantic fiction. Although she has spent most of her life immersed in acting, singing, and competitive ballroom dancing, when she found the world of writing and books and endless cups of coffee, she knew she was home. Laura is the author of the bestselling Mark of the Vampire series and coauthor, with Alexandra Ivy, of the USA Today bestselling series Bayou Heat. Laura lives in Los Angeles with her husband, two young children, and three loveable dogs. Tavia Gilbert, a multiple Audie Award nominee and AudioFile Earphones and Parent's Choice Award-winning producer, narrator, and writer, has appeared on stage and in film. School Library Journal has called the performances of this

highly acclaimed actress "as close as you can get to a full cast narration with a solo voice." She has narrated over two hundred multicast and solo voice audiobooks.
