Description:

This new edition provides a state-of-the-art introduction to psychology that merges the rigor of science with a broad human perspective. All the Myers' hallmarks are here-the vivid presentation, intense attention to detail and currency in the field, research-based study aids and media learning tools, and above all, the inviting, authorial voice of David Myers that speaks to the life experiences of all kinds of students. DSM 5 Updates Available for Fall 2014 classes, this update version features new content from David Myers in response to the release of the DSM-5. This new content is

integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 Supplement by the David Myers is available for Fall 2013 and Spring and Summer 2014 courses.
