#### Description:

**Review** "An excruciatingly detailed, nightmarish saga demonstrating the sometimes inexplicable power of human evil."—Kirkus Reviews "Sam Brower is one of a few individuals not born into the FLDS who possesses a comprehensive knowledge of its inside workings. It is because of individuals like Sam that former FLDS members and I have the hope of the criminal activities being publicly exposed, thereby allowing future FLDS generations to one day claim the protection of freedom."—Carolyn Jessop, author of the New York Times bestseller *Escape* "I can't say enough about Sam Brower's knowledge involving the inner workings of the FLDS and its leader . . . His diligence and tenacity was a major factor in putting Warren Jeffs behind bars."—Brent Jeffs, author of *Lost Boy*

**About the Author** Private detective **Sam Brower** is the investigator who pushed forward the long and hard legal battles against the radical FLDS and Warren Jeffs. Raised in the Mormon Church (mainstream LDS), he lives in Cedar City, Utah. Visit his website at [www.prophetsprey.com](http://www.prophetsprey.com).
