Description:

Review "Truly a great resource . . . a book that I highly recommend." -- *Javalobby.org*

About the Author

Craig Walls is a professional software developer with over 15 years of experience in several industries, including telecommunications, finance, retail, and education. He's currently the software developer at SpringSource. He is the author of *Spring in Action* and *XDoclet in Action* (published by Manning) and is an avid proponent of Spring, open-source, and agile development. He's a popular author and a frequent speaker at user groups and conferences. Craig lives in Plano, Texas.

Breidenbach has developed Java web applications for the past five years.
