Description:

This new, revised, and first print edition of Sarah Mackenzie's best-selling eBook version contains 35% new content! Those who have made the decision to homeschool their children have done so out of great love for their children and a desire to provide them an excellent education in the context of a warm, enriching home. Yet so many parents (mainly mothers) who have taken up this challenge find the enterprise often full of stress, worry, and anxiety. In this practical, faith-based, and inspirational book, Sarah Mackenzie addresses these questions directly, appealing to her own study

of restful learning (scholé) and her struggle to bring restful learning to her (six) children.
