—THE GUARDIAN (UK)

When Lawrence Anthony was asked to accept a herd of "rogue" wild elephants on his Thula Thula game reserve in Zululand, his common sense told him to refuse. But he was the herd's last chance of survival and in order to save their lives, Anthony took them in. In the years that followed he became a part of their family. And as he learned to connect with the elephants, he came to realize that they had a great deal to teach him about life, loyalty, and freedom. In *The Elephant Whisperer*, he tells of his heartwarming, exciting, funny, and sometimes sad experiences with these large yet magnificent creatures.
