Description:

Disrespecting the LSAT: The Fox Test Prep Guide to Logical Reasoning contains full explanations of over 550 actual LSAT Logical Reasoning questions... that's four times as many as Powerscore's LR Bible.

In his down-to-earth, irreverent style, Nathan walks you through actual LSAT questions,

demystifying the confusing world of logical reasoning and showing you how to dominate the test. He breaks down methods that will help you see through the BS and nail every single type of LR question, sharing approaches that stick with you when you finally sit down for the big day.

By using the strategies that have garnered rave reviews from his students in San Francisco and from readers of the Fox Test Prep Guide to a Real LSAT series, Nathan will show you how to save time on the LSAT so you can focus your energy on the truly challenging questions.

No nonsense. No made-up, trademarked buzzwords. No confusing jargon. And best of all, no pulled punches. Plus, you'll also find out how to contact Nathan directly with your questions.

So grab a pencil and crack this book. Let's get it on.
