#### Description:

Unknowingly, too many of us operate from an inward mindset—a narrow-minded focus on self-centered goals and objectives. When faced with personal ineffectiveness or lagging organizational performance, most of us instinctively look for quick-fix behavioral band-aids, not recognizing the underlying mindset at the heart of our most persistent challenges. Through true stories and simple yet profound guidance and tools, *The Outward Mindset* enables individuals and organizations to

make the one change that most dramatically improves performance, sparks collaboration, and accelerates innovation—a shift to an outward mindset.
