Description:

You may actually enjoy organizing and filing your papers with Galison's attractive William Morris Morning Garden File Folders. These folders, the matching file tote, and coordinating desk accessories were created in cooperation with London's Victoria and Albert Museum, which has a comprehensive assortment of William Morris Art and Crafts designs among its collections. This design details from John Henry Dearle's Golden Lily color woodblock print on paper. It was published as a wallpaper sample by Morris & Co. 1880-1917.
