## Description:

### **Capitalize on All the Latest Legal, Financial, and Compliance Information Needed to Analyze and Appraise Any Business**

For over 25 years, *Valuing a Business* has provided professionals and students with expert business valuation information, offering clear, concise coverage of valuation principles and methods. Over the decades, the book's unsurpassed explanations of all valuation issues have made it the definitive text in the field, against which every other business valuation book is measured.

Now updated with new legal, financial, and compliance material, the Fifth Edition of *Valuing a Business* presents detailed answers to virtually all valuation questions—ranging from executive compensation and lost profits analysis...to ESOP issues and valuation discounts.

Written by Shannon Pratt, one of the world's leading authorities on business valuation, this updated classic offers a complete “one-stop” compendium of information on the full range of valuation concepts and methods. *Valuing a Business* contains step-by-step discussions and analyses of:

- Business Valuation Standards and Credentials
