Description:

For more than three decades, apologist Ravi Zacharias has shared bits and pieces of his personal life and experience. In *Walking from East to West*, now in softcover, Zacharias invites you to follow him on a journey through his life: to see and smell the neighborhood in India where he grew up, to feel a mother's love and the consternation of a harsh father ... and the lure of a rebellious soul. In a crisis experience, Zacharias exchanged pantheism for monotheism, and meaninglessness for true fulfillment in Christ. He has traveled from the East to the West, and then back again to answer

skeptics' penetrating questions about the meaning of life and the existence of a God who is there for his children. Zacharias invites you to follow him on this journey through his life and into the lives of others, and to see how he has become more convinced with each year that Jesus Christ is the one who came to give you life to the fullest.
