**Description:**

**Review** 'Every once in a while I read a book I wish every Christian I know would read. This is that kind of book. Your Church is too Small is clear, prophetic, practical... and true. If you pray for reformation, renewal and revival in America and the world (and I do daily) this book is the place to put legs on those prayers. You will be shocked, irritated and stirred deeply... and then you'll rise up and call John Armstrong blessed for having had the courage and call to write it and for me for having the wisdom to commend it to you.' -- Steve Brown, President and teacher, Key Life Network, Inc
